Your Day.....	219
You are on Assignment	221
Zachariah.....	223
Our Lord!	225

Introduction

The way you think and feel about yourself, including your beliefs and expectations about what is possible for you, determines everything that happens to you. When you change the quality of your thinking, you change the quality of your life, sometimes instantly.

You have complete control over only one thing in the universe: your thinking! You can decide what you are going to think in any given situation. Your thoughts and feelings determine your actions and determine the results you get. It all starts with your thoughts – and I have found that inspirational words are a quick way to retune your thinking. Inspirational words have an amazing ability to motivate you and change the way you feel about yourself.

In the present book, there are 100 motivational

and inspiring short articles for a better life. When life has got you in a slump, turn to these inspirational short articles. Read on and get ready to smile. By reading these motivational words, you can start your day taking control of your thoughts, thinking positively, and setting new goals.

These articles are based on the ethical verses of the Qur'an. The Qur'an is a record of the exact words revealed by God through the Archangel Gabriel to Prophet Muhammad (May the peace and blessings of God be upon him and his progeny). The Messenger dictated it to his companions, and the scribes, who cross checked it during the Prophet's lifetime, wrote it down and his followers memorized it. Not one word of its 114 chapters has been changed over the centuries. The Qur'an is in every detail the same unique and miraculous text that was revealed to the Prophet over fourteen centuries ago.

The Qur'an is the principal source of every Muslim's faith and practice. It deals with all subjects that concern us as human beings, including wisdom, doctrine, worship, and law; but its basic theme is the relation between God and His creatures. At the same time, the Qur'an provides guidelines for a just society, proper human conduct,

and equitable economic principles.

God Almighty says, *“He (God) has sent down to you the Book (the Qur’an) with truth, confirming what was revealed before; And He sent down the Torah (of Moses) and the Gospel (of Jesus) before this as a guide in humankind; and He sent down the Criterion (the Qur’an)”*.
(Qur’an; 3:3-4)
