Preface

Just The Gist Of IELTS offers systematic preparation for students wishing to take the IELTS exam and it is professionally designed to help students improve their IELTS score and progress towards their goal of studying at an English Speaking University or working abroad. This book takes you through all parts of the exam, giving strategies to help you answer the task types and useful exam tips.

Just The Gist Of IELTS offers:

- Detailed information about the four modules of the exam, including all task types.
- Key points for success.
- Guided practices for all four skills in every module.
- Language input for the different parts of the Speaking and Writing modules.
- Useful information, Strategies and tips in each section to help with special areas of difficulty.
- Intensive work on vocabulary, including collocations, useful phrases and key words.
- Examples of answers to writing tasks.
- Guidance charts for assessing your Speaking and Writing tasks at the end of chapters.
- 12 practice tests, which should be taken under exam conditions.

➤ Improve your Productive language skills:

- Just The Gist Of IELTS gives you step by step guidance with each task type in the Writing module. At the end of each question type there are model answers for each with notes to help you improve your own writing techniques.
- There are plenty of questions to prepare you for the Speaking module in each of three sections. For both Writing and Speaking there are Useful Vocabularies Charts containing vocabularies and phrases to use in these modules of IELTS.

➤ Improve your Receptive language skills:

- For the Reading module there are not only a variety of texts and IELTS tasks copied from reliable sources, but also exercises along with Useful information, Strategies and tips to help you deal with unknown ones and improve your active reading skills.
- As well as the Listening module task types, this book offers you task examples and Tips to improve your confidence and active listening skills in addition to the Key points to success Section.

➤ Improve your study skills:

- Succeeding in a test is not only about doing well on the tasks but also knowing how best to use your study time. Each chapter of this book includes useful and relevant study skills, which help you in IELTS.
