Lesson 1: A Cultural Difference: Being on Time

1

In some cultures, it is important to be on time. But “on time” can have different meanings in different cultures.

Lesson 2: Dreams: Making Them Work for Us

13

Do you have bad dreams? Nightmares? You can learn to change bad dreams into good dreams, and feel better, too.

Lesson 3: Loneliness: How Can We Overcome It?

24

Everyone feels lonely sometimes. But for some people loneliness can last a long time.

Lesson 4: The Importance of Grandmothers

38

Grandmothers are usually a very happy part of their grandchildren's lives. They are also very important for other reasons.

Lesson 5: Ancient Artifacts and Ancient Air

49

Archeologists make important discoveries about people who lived a long time ago. This knowledge of the past can help us in the future.

Lesson 6: Our Neighbor in Space

62

There are some surprising similarities between the Earth and Mars. Future missions to Mars may help us answer some interesting questions about our own planet, too.

Lesson 7: How Lunar Eclipses Have Changed History	76
People did not always understand how lunar eclipses happen. Because of this, superstitions about lunar eclipses had some important effects on history.	
Lesson 8: Crime Solving with Modern Technology	89
