Author's Preface

Dear Readers,

Salāmun 'Alaykum

On the threshold of Ramaḍān 1437/June 2013, our friends came across the idea to extract from *Tafṣir-i Nūr* a brief, fluent, and slightly altered pamphlet full of varied material, required by everyone, and suitable for the Month of Ramaḍān, and to prepare it for the Qur'ānic competitions of the Month of the Qur'ān.

A combination of the Qur'ānic and exegetical words and some remarks from the narrations of the Infallible Imams (P.B.U.T.) has been arranged for thirty days of Ramaḍān in the thirty lessons and discourses of this pamphlet. It is hoped that this selection and summarization would be a step forward for familiarity with the Qur'ān and the narrations as well as a step toward saving time in your precious life.

I beseech the Almighty Allah to grant you sincerity, blessing, acceptance of religious duties and endeavors in the month of Ramaḍān and other months and hope that these words and attempts are of interest to you and I beg all of you for prayer.

Muhsen Qara'ati
