INTRODUCTION:

In the name of the beauties creator,

Everyone is designed and steps to the world with an introduction of what he/she can be.

He/she has to complete her/himself being design by the colors and brushes which has put in his/her access; and to present to the world to give meaning to the LOVE.

“Negar “is also a design over the world as an introduction to the other beautiful designs in order to learn that everything which is created by GOD is beautiful.
