Preface

The present book has been quite begotten with the target of present-day candidates demanding the score of 9 out of 9 in IELTS task 2 essays. Writing is the most significant category of gaining plausible scores in IELTS plus particularly for many people, the most difficult part of the IELTS Academic exam is the Task 2 essay in the writing test. This is because few people understand the different types of Task 2 essay, and few people take the time to read examples of high quality Task 2 essays before they take the exam. The volume is divided into four chapters each of which surrounds their own specific details: chapter one focuses on 10 simple IELTS writing TASK 2 tips for a band 9 comprehensively with its prolific subsets. Chapter two of the present volume is the most challenging, arduous and far-reaching section for the learners as it sheer furnishes with highly advanced 60 samples of IELTS WRITING BAND 9 ESSAYS. For continuing the book, we do possess Chapter three that it basically involves in the most common mistakes in IELTS Writing in which this part needs subtle attention for augmenting the concentration while writing. Chapter four discusses Common Grammar Mistakes in the IELTS Writing Task 2 that quite makes the whole book completed

from the facet of syntax. AT the end of the book you shall encounter with the appendix which contains a few secret vocabularies of IELTS band 9 essays with its full definition in whom I have periodically collected them, I wish it will be utilized suitably in writing surely. We are certain that the user's comments and suggestions may assist us for improving the quality of the book in later versions. We heartedly appreciate and cherish your contribution in advance.
