Introduction

Tibby's week, the third stage of the 5-stage series named *Early Readers*, is designed to give young English learners the opportunity to maximize practice and progression in reading and comprehending English in context. Fun, engaging stories in this stage focus on two syllable words, commas and exclamation marks, days of the week, simple past tense. Each story contains approximately 60 words with strong picture-text correlations that provide decoding cues to readers. This book is supported by an attractive high-quality CD which utilizes phonemic breakdown of words.
