Introduction

Welcome to Listen Up! This is a three-level listening series that teaches you an important aspect of listening: understanding what people say. This will help you improve your English.

Student Book

There are two parts in each of the 25 units in the Student Book.

Realistic Listening Passages: This listening section includes social conversations, transactional dialogues, broadcasts, and announcements.

Extended Listening Passages: This listening section familiarizes students with longer conversations and more difficult listening tasks.

This step-by-step approach makes learning natural English much easier.

Audio Program
