INTRODUCTION

The study of the English language has spread all over the world, and high-school and college students everywhere have come to realize that language mastery depends on the possession of a comprehensive vocabulary. This is just what *1100 Words You Need to Know* has been offering through the five earlier editions and continuing on this sixth one.

We are proud that Amazon.com has rated this book as the number one best seller in its category. In addition to the various exercises that help readers learn challenging vocabulary, we have now added a section called "The Lighter Touch 100," which shows that vocabulary can be taught with a sense of humor. By investing a mere 15 minutes with this new book, you will soon see a dramatic improvement in your vocabulary.
