Introduction

Enjoy your time with Talking Friends 1 is about communication. It is about listening to and understanding other people's ideas, and about sharing teachers' ideas with the students.

Enjoy your time with Talking Friends 1 contains 9 units. Every unit has one dialogue which includes the following activities:

Enjoy your dialogue, pair work and group work In all units there is a communication task for you to do with a partner or group. Sometimes you will look at photos and decide on a story for the photos. At other times you will share information with a partner or partners. Related communication tasks are on different pages. Talking Friends cartoon characters help you enjoy your dialogue.

Smart Kids Questions In this part, you study the dialogue's new questions and you have to answer with your own information.

Extra Knowledge And Words In real life it is necessary to know the substitutes for some parts of the conversations to speak better about your life. Sometimes you do not agree with the dialogue's information and you prefer to use your own data. Knowing extra knowledge & words assists you in this issue.

Your Own Dialogue This activity gives you the opportunity to use your own knowledge and the ability to use your imagination to produce new ideas. It also provides you to become more self-confident.

Whizzkids' Entertainment It helps you enjoy using new knowledge. It also makes you a more fluent speaker. Good speakers use many different kinds of words and expressions.

Making Sentences It helps you to put a group of words that makes complete sense by containing a main verb and beginning with a capital letter. Sentences are used to show your idea and creativity, they assist you to use your new knowledge in your real life.

Talking Bench Reading Your enjoyment of reading this part will develop over time. The more you read in English, the easier it will become. You will find yourself looking forward to reading.

About The Cartoon Character These particular types of people are so fun and cheerful for you. They attract you most to this book and its functions.
