#### **Notes for Parents**

The Jolly Phonics Activity Books are designed as a fun and multi-sensory way to help young children become familiar with letter sounds and to begin reading and writing. Research shows that children who start school knowing all their letter sounds learn to read faster. These activity books can be used with the Jolly Stories and the Jolly Songs. Each sound is introduced with a short story for you to read to your child. Each sound is also accompanied by an action, which your child can do to help them remember the sound.

#### Leiter Sounds

The sounds are grouped in the following way and should be learned in this order:

Book 1: s, a, t, i, p, n Book 2: ck, e, h, r, m, d Book 3: g, o, u, l, f, b Book 4: ai, j, oa, ie, ee, or Book 5: z, w, ng, v, oo, oo Book 6: y, x, ch, sh, th, th Book 7: qu, ou, oi, ue, er, ar

Check that your child is holding the pencil correctly when writing. In this book vere is letter formation practice on pages 5, 9, 13, 17, 21, 25 and 34.

### Elending for Reading

Once a group of sounds has been learned, children can start to lor k a letters, say the sounds and try to blend them together to make the word. Help your chile develop his blending skill by pointing to each letter in a word, and saying its sound, for example '-u-i. Once your child can hear the word when it is sounded out, they are ready to say the soun is themselves. Blending practice comes on pages 3, 10, 14, 23, 30, 31, 33 and 35.

#### Identifying Sounds for Lating

Your child will need to identify the sound in a work so as to be able to write that word. The first sound is easiest but your child will need to pick on others too. Practice for this is on pages 5, 9, 13, 16, 21, 25 and 27.

## Tricky Words

Tricky words have irregular s, ellings, which cannot be read just by sounding out and blending. You can help your child by po was out which is the 'tricky' part. In 'said', for instance, it is the 'ai'. Tricky words are taught on pages 29, 32 and 33.
