" communicative Reading Writing Skills"

To the readers

communicative Reading Writing Skills present popular topics for reading, writing from different sources. the aim of the book is to increase reading Skills and building vocabulary to help ASU Students and other students who want to improve their reading skills and also writing skills at different levels. Vocabulary skills exercises increase student's abilities to cope with new words and improve their knowledge for reading and writing better.

The book has been prepared for general language in different majors at the university, too.

At the end of the book, the author has prepared some tests and also the summary of the grammar needed for reading, writing and making structures and sentence constructions. It's just for the review. At the end, it's supposed that the students improve themselves in reading and writing.
