Introduction

The intermediate Workbook of the ILI Conversation Series, entitled ACT (Aspire, Communicate, Thrive), contains six units corresponding to those in the Student's Book. It can be used both for homework and in class upon completion of the relevant unit in the Student's Book. It includes a wide variety of review exercises and covers all of the language areas — grammatical, lexical, and functional — studied in the unit to help students consolidate what they have learned. In other words, the Workbook mirrors and reinforces the content of the Student's Book and offers further lesson-by-lesson practice of the material taught in class, incorporating all four skills.

What follows displays the general organization of each unit in the *Workbook* along with its objectives:

A. Vocabulary Booster: To recycle the first and second sets of

vocabulary items through various exercises.

- B. Listening Activator: To further practice the skill of list in the context of the general theme of the unit.
- C. Grammar Enhancer: To review and apply the grammar of the unit in a variety of exercises.
- D. Reading Developer: To enhance the skill of reading context of the given topics of the unit.
- E. Function Planner: To reinforce the functional lang introduced in the unit.
- F. Writing Organizer: To help improve and strengthe skill of writing in the context of the given topics of the
- G. Interaction Builder: To provide more opportuniti utilize the target language in a lifelike situation.
