Authors' biography

First author:

Mehdi Ghaedrahmat was born in June, 25th 1985. In 2010, he received his M.A in Teaching English as a Foreign Language from Islamic Azad university, Isfahan (Khorasgan) branch, Presently he is a PhD student at the university of Urmia. He has published several research papers in scholastic journals. His research interests include teacher development and collaborative teaching, as well as Foreign Language Reading and material development in English for Academic Purposes.

Co-author:

Forud gholami was born in February 11th 1983. Since he has two M.A degrees in TEFL and counselling, currently he works as an EFL teacher as well as a counselor in a wide variety of teaching institutions in Iran. He has also published other books on TEFL and counselling as well as contributing to seminars, conferences, and professional journals. His research interests include teacher development, learning disabilities and current Islamic issues in counselling.

Acknowledgments

First, we lack word to appreciate Dr. Reza Biria of Khorasgan University, Isfahan for the motivation that he provided for us in the path of education. Furthermore, we would like to thank the professors of Urmia University Dr. Mehdi Sarkhosh, who generously provided us with new insight into the current trends of teaching and research in that field. Dr. Seyyed Mohammad Hossein Kashef, who presented us a more comprehensive understanding of language teaching and testing. In addition, we would like to express our appreciation to the professors teaching at the Counseling department of Khomeini Shahr, Azad University for their insightful guidance, effective feedbacks, and for introducing us into the fascinating world of teacher development.
