Contents

Foreword.....	8
Introduction to Tehran Urban Planning & Research Center.....	12
Origin.....	12
Mission.....	14
Vision.....	14
Major Objectives.....	14
Key Achievements.....	15
Introduction to Tehran Municipality.....	16
General Objectives.....	16
Principal Approaches & Orientations.....	16
Principal Lines of Activity & Executive Plans.....	17
Metropolitan Tehran's Visions.....	19
Tehran Traffic Management.....	21
Transportation Challenges.....	22
Transportation Challenges in Tehran.....	22
Tehran Challenges towards Sustainable Transportation.....	23
Institutional & management challenges.....	23
Urban form & physical challenges.....	23
Social & cultural challenges.....	23
Economic & financial challenges.....	23
General Facts about Management of Tehran's.....	24
A. General Objectives.....	29
B. Fundamental Approaches & Orientations.....	29
C. Focus Activities & Executive Plans.....	30
Activities & Achievements.....	31
1. Railway Transportation (Metro) in Tehran.....	34
1-1. Development of Lines & Station Capacity.....	35
1-2. Development of Fleet.....	40
1-3. Development on Basis of Modern Technologies.....	41
1-4. Performance & Achievements of Tehran Railway Transportation Network.....	42
2. Managing & Developing the Bus System.....	47
2-1. Developing Operational Capacities & Systems.....	49
2-2. Directing Operations & Activities.....	52
2-3. Side Services.....	53
2-4. Traveling Services in the Bus System.....	55
3. Designing & Developing Bus Rapid Transit (BRT).....	55
4. Performance of Taxi Dispatch System.....	57

4-1. Fleet Development.....	57
4-2. Free Technical Services.....	59
4-3. Welfare Services.....	57
4-4. Administrative & Managerial Measures.....	60
5. Monitoring, Controlling & Directing Traffic System.....	61
5-1. Monitoring & Controlling Traffic Systems.....	62
5-2. Technology-based Transportation Side Services.....	64
6. Fostering Culture of Traffic & Developing Infrastructures.....	67
6-1. Performance in Transportation & Traffic Studies.....	67
6-2. Informative & Educational Programs.....	69
7. Environmental Pollution Monitoring & Controlling Systems.....	72
7-1. Installing Monitoring Stations for Air & Noise Pollution.....	73
7-2. Operating & Maintaining Stations for Air & Noise Pollution.....	73
7-3. Improving Billboards that Display Air & Noise Pollution.....	74
7-4. Teaching Concepts of Minimizing Air & Noise Pollution.....	74
7-5. Technical Car Inspection.....	76
8. Promoting & Improving Road Safety.....	76
8-1. Geometric Correction of Intersections.....	77
8-2. Improving Roads for Disabled.....	77
8-3. Building Stations & Bus Stops.....	77
8-4. Road Surface Marking & Vertical/Horizontal Sign Installation.....	78
8-5. Expanding Marginal & Non-Marginal Parking.....	80
8-6. Passerby Footbridges & Refuge Islands.....	80
9. Managing Travel Demand.....	81
9-1. Terminals & Package & Mail Facilities.....	81
9-2. Package & Cargo Transportation by Peik-e Badpa Courier Company.....	84
10. Developing Non-Motorized & Clean Transportation.....	84
