Introduction

After the martyrdom of the commander of the faithful, Hadrat Ali (*peace be upon him*) his elder son Hadrat Imam Hassan Mujtaba (*peace be upon him*) base on the commandment of almighty Allah sat on the position of his grandfather in order to continue the message which the chosen Prophet of God (*peace be upon him and his progeny*) has commenced.

With the martyrdom of the commander of the faithful, the path of "perversion from Islam" and "returning back to the age of ignorance" that has been pre-planned from the time of "Saqeefah", the scene has become one without contender while the Muslims who are weak in covenant and retreater from war thought to be victorious.

What has happened and the perplexity of Imam (*peace be upon him*) was full of misadventure till his martyrdom, one of the most exemplary of the scenes was his eternal fight for right against falsehood.

Imam Hassan Mujtaba was an oppressed infallible. His friends who doesn't know his power and value disintegrated due to his teachings, but his enemy who are plotters and deceit knew his majesty and they gathered all their devilish

power against him and his ending was loneliness without helper and he oppressively became martyred.

Now we return to the previous. i.e. the entire glory and educative life of the oppressed Imam from the beginning.
