Introduction

Essential rules of English Grammar is appropriate for students of intermediate or advanced levels and can be used as a self study or as a course book. This book can also be used as a reference book when there are questions on specific grammar problems. The book contains clear explanations about essential grammar points and many examples that illustrate their use.

The cross referenced nature of the book makes it possible for students to have a deep understanding of English grammar.

Grammar points can be found through the table of contents at the beginning of the book or through the index at the end of the book.
