Introduction

My Face, the first stage of the 5-stage series named *Early Readers*, is designed to give young English learners the opportunity to maximize practice and progression in reading and comprehending English in context. Fun, engaging stories in this stage focus on full sentences, simple present tense, single syllable words and high frequency words. Each story contains approximately 25 words with strong picture-text correlations that provide decoding cues to readers. This book is supported by an attractive high-quality CD which utilizes phonemic breakdown of words.
