FRCOG,FRACOG

Professor of Obstetrics and Gynaecology, University of Melbourne  
Consultant Obstetrician and Gynaecologist,  
Royal Women's Hospital  
Consultant Gynaecologist, Royal Children's Hospital  
Consultant Obstetrician, Royal Melbourne Hospital  
Senior Examiner in Obstetrics and Gynaecology,  
Board of Examiners, Australian Medical Council

**Bryan Yeo**

FRACS,FRCS

Senior Lecturer in Surgery, University of New South Wales  
Surgeon, Department of Surgery, Prince of Wales Hospital  
Senior Examiner in Surgery, Board of Examiners,  
Australian Medical Council

## FOREWORD

The lack of familiarity with the standards and requirements of medical practice in Australia has been identified as one of the major obstacles confronting overseas-trained doctors seeking registration. The Australian Medical Council (AMC) has prepared this book to assist overseas-trained doctors who are preparing for the AMC examination. The Council believes that this book will be a valuable guide and self-assessment tool. It also illustrates best-practice principles for a wide range of medical conditions found in the Australian community.
