Foreword by Ayatollah Khamenei, the Eminent Leader of the Islamic Revolution of Iran

In the Name of Allah, the Merciful the Compassionate

It is one of the blessings of God to make a group of the best youths of this God-seeking and mature nation be attracted to the holy Qur'an. Properly appreciated, this would be the key to many closed gates and barred ways. Familiarity and intimacy with, contemplating, knowing by heart, and seeking guidance from the Book of God are the successive stages of holding fast to the Qur'an. Now that one of the successful youths- after choosing this way- has written, with the aid of God, a booklet for helping others, I thank God and express my sincere gratitude to this dear youth. May Allah favour him and all dear youths with His grace and guidance.

Sayyed Ali Khamenei
