Acknowledgment

I owe a debt of gratitude towards a lot of professors and students who have helped me accomplish this book without having any expectations. Therefore, I should thank M. Morel, J. Straus, L. Kaufman, Seonaid Beckwith, Seonaid Beckwith, S. Gorelick, M. Roustaei, M. Foudazi, M. Ghorashi, K. Khalili, L. Jouybari, A. Behmardi Kalantari, M. Alahyari, T. Stern, B. Khanzadeh, K. Shohani, M. Rashtchi, M. Mohammadi, H. Sedghi, all nice members of publication center of RIPI, and my other professors and colleagues in RIPI, Geology Survey of Iran (GSI), Iran Language Institute (ILI), Tehran Times Press, Universities, Departments of Water Sciences and Engineering, Geophysics, Geology, and Wastewater treatment, and Department of English Language of Berkeley, Mr. Ra. Naghizadeh (who formatted this book), and all members of editorial board and team of Analytical Methods in Environmental Chemistry Journal. At the end, I must thank my nice mother Aminah Saberi Kushkeghazi (the first teacher who taught me English language) and my brother Mostafa Arjomandi.
